

Olympic Flag Key Tags

With the Olympics coming up, support your favorite team with this updated design to our flag key tag.

This Olympic flag as well as other country flag designs are shown on the pages following the instructions.

Materials needed:

- | | |
|----|--|
| 81 | 9x6 mm barrel pony beads to match flag pattern |
| 1 | 2yd (183 cm) cord |
| 1 | 1" (25 mm) lanyard hook |

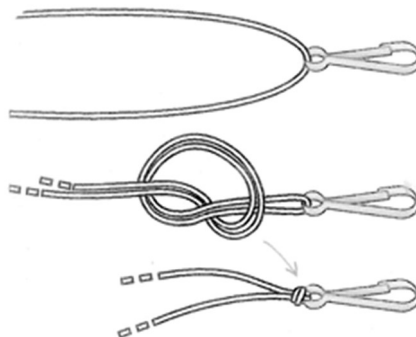

Other items and tools needed:

ruler, scissors, glue

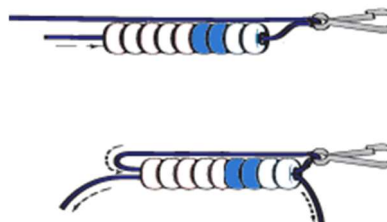

Instructions:

Step 1: Cut a 2yd (183 cm) piece of cord. For easier stringing, apply glue and twist each end to a point; allow to dry.

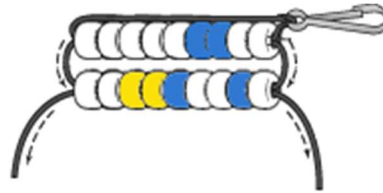

Step 2: String the lanyard hook onto the cord and center it. Secure with an overhand knot.

Step 3: Slide nine beads onto one end of cord according to flag pattern. Pull cord tight but keep beads in a straight line. Run other end of cord along beads and then pass through from the other end of the row.

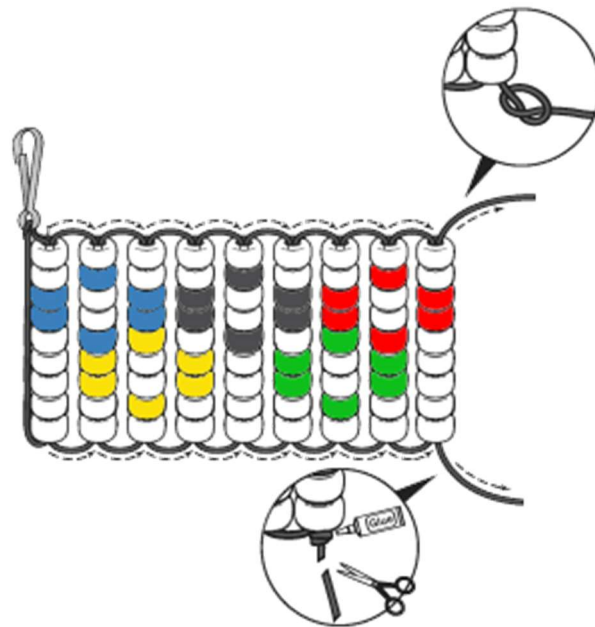

Step 4: String the next row of beads onto one end of the cord and thread the other end through them from the opposite side; pull tight.

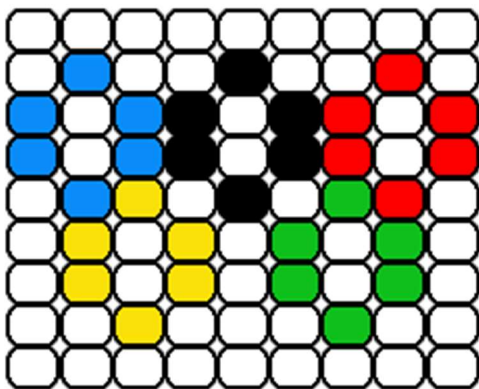

Step 5: Repeat with each row until you have completed your flag pattern.

Step 6: Tie off ends with overhand knots.

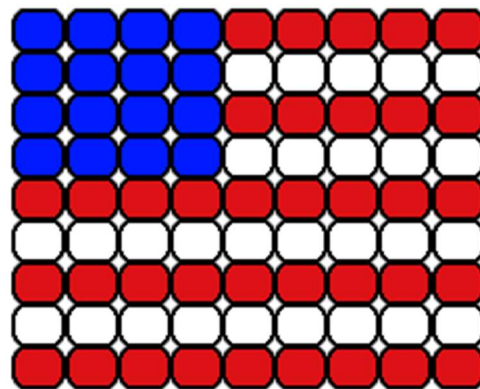

Step 7: Apply glue to knots to secure and trim off excess cord.
