

American Flag Key Tag

Old Glory waves anew in this easy-to-make project using pony beads in Patriotic colors.

One bag of Patriotic Multi pony beads **750V370** will have enough beads to complete this project.

Materials needed:

22	9x6 mm barrel pony beads	red
8	9x6 mm barrel pony beads	white
9	9x6 mm barrel pony beads	royal blue
2	48" (122 cm) hemp jewelry cord	
1	1" (25 mm) lanyard hook	

Other items and tools needed:

ruler, scissors, glue

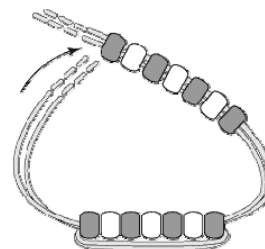

Instructions:

Step 1: Cut two 48" (122 cm) pieces of cord. For easier stringing, apply glue and twist each end to a point; allow to dry. Work with both cords held together.

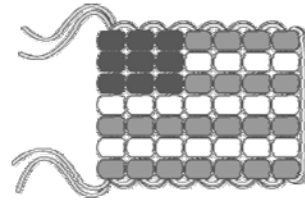

Step 2: String seven pony beads (red and white) and center them on the cords.

Step 3: Loop cords back through beads and pull tight, but keep beads in a straight line.

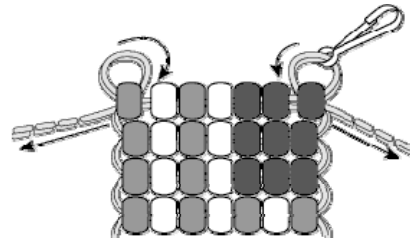

Step 4: String seven more red and white beads onto one side, and thread the opposite cords through them; pull tight.

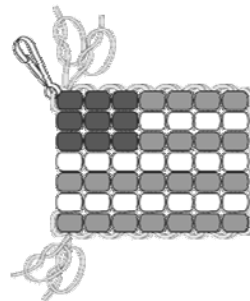

Step 5: As in step 4, repeat with red and white beads for a total of four rows. String on rows of red, white and blue beads for three rows.

Step 6: String on lanyard hook, and loop cords back through the last blue bead. On the opposite corner, loop cords through last red bead.

Step 7: Tie off ends with overhand knots.

Step 8: Apply glue to knots to secure, and trim off excess cord.
