

## Franken-buddy Key Tags

With Halloween coming up, it's time to bring out the "scary" decorations. Scare all of your friends with this easy to make beaded buddy.

The full color patterns for Frank and a few of his friends are included at the end of the instructions.

### Materials needed:

23	9x6 mm barrel pony beads	Black
39	9x6 mm barrel pony beads	Green
1	2yd (183 cm) cord	Black
1	1" (25 mm) lanyard hook	

---

### Other items and tools needed:

ruler, scissors, glue

---

### Instructions:

**Step 1:** Cut a 2yd (183 cm) piece of black cord. We suggest using rattail. For easier stringing, apply glue and twist each end to a point; allow to dry.

**Step 2:** String the lanyard hook onto the cord and center it. Secure with an overhand knot.

**Step 3:** Slide seven black beads onto one end of cord. Pull cord tight but keep beads in a straight line. Run other end of cord along beads and then pass through from the other end of the row.

**Step 4:** String the next row of beads onto one end of the cord and thread the other end through them from the opposite side; pull tight.

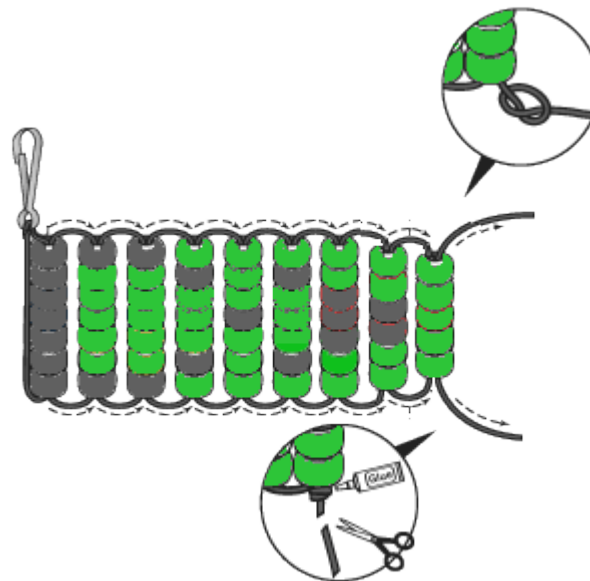

**Step 5:** Repeat with each row until you have completed your pattern.

**Step 6:** Tie off ends with overhand knots.

**Optional:** To add bolts to his neck, add one more black bead to each end of the cord and tie another knot.

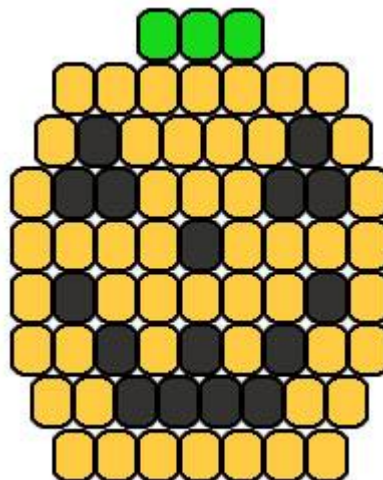

**Step 7:** Apply glue to knots to secure and trim off excess cord.
