

The Beadery[®] Clearly Mosaics[™] Cross

Use the attached example patterns to create a colorful cross decoration. This project works with our self-adhesive crafting plastic crosses (*3095ADH*) and our Geometric or Broken Mosaic Pieces found in our online store.

Materials needed:

Clearly Mosaics[™] Pieces

5" Cross Shaped Crafting Plastic

Instructions:

Step 1: Place the pattern behind the sheet of crafting plastic.

Step 2: Peel off the protective paper sheet to expose the adhesive coat on the crafting plastic.

Step 3: Place the mosaic pieces following the pattern.

Crafting Plastic Tips:

- These patterns are just examples of how the Clearly Mosaics[™] can be positioned on the sheet of crafting plastic. There are many more possibilities, so have fun making your own designs and patterns.
- Clearly Mosaics[™] pieces can easily be removed from the adhesive to be reposition on the crafting plastic sheets.
- If you do not finish the project all in one sitting, you can place the protective paper sheet back on the crafting plastic to protect the adhesive.
- Glitter can be sprinkled on the finished project to fill in the spaces between the Clearly Mosaics[™] pieces.
